Foreign Missions

Yokohama, Japan

(yoh-kuh-HAH-muh) - Recently, a young church held their first ever vacation Bible school (VBS). Neighbors and contacts from church members came, and they experienced the love of Jesus and heard the words of Jesus. Another local church held its VBS with desires to show the local children and their parents that they are precious in God's eyes. Nine-year-old Alice attended and started to ask questions about sin. She is in the same class as a church member and has become a close friend. Pray that God will open Alice's heart to receiving His saving grace and that these local churches will have more opportunities to build relationships with the children and families in their neighborhoods.

Gerson Morey is planting Iglesia Día de Adoración in Pembroke Pines, Fla.

Pray the Lord will help us bring conviction to the congregation regarding our need for accountability and discipleship. Also, please pray for the growth and effectiveness of the Christian school we just opened for our church. We have seven students this year. Thanks.
