Foreign Missions

PEOPLES OF THE SOUTHWEST AMAZON BASIN

As more communities and villages begin to open back up in this area, the two small, local churches in Bean Town,* are starting to focus on mission-minded work and making trips to visit these villages. Praise the Lord for the vision that He has given the churches and their willingness to travel upriver to take the gospel to these communities. Pray that God will multiply their efforts and that more communities will be able to hear the gospel preached in their languages! (*name changed)

SOUTH MONGOLIC PEOPLES, EAST ASIA

"Look, I tell you, lift up your eyes, and see that the fields are white for harvest," says the Lord in John 4:35 (ESV). After a season of global uncertainty, political shifts, and cultural challenges, many hearts in East Asia are searching for unchanging truth. The field are indeed white for harvest. Ask that God will equip believers living among South Mongolic peoples to share boldly so that many may repent and believe.

serving as the federal corrections complex in
Hazelton, W.VA**

Please pray for our ministry as constant lock downs are creating many ministry obstacles. Pray that the many Bibles and Christian literature we have distributed will bear fruit. Pray a Bible college project can move forward in the facility. Pray we can reach the large and growing Muslim population with the gospel of Christ. Pray for my family as we recently moved here and are still adjusting to our new church and the area.
