## Foreign Missions

Turks of Istanbul, Turkey

(is-tan-BULL) - In one district of Istanbul that's known for its secular and diverse atmosphere, the observance of the Islamic month of Ramadan may not be as widespread or visible as in other, more conservative areas of the city. Over the past several years, many Turks have become less and less devoted to Islam and are now only nominal Muslims, especially university students and young adults. During Ramadan, many will not fast at all, and if they do, it's only for a few days at the beginning and end. Many people are open to having more conversations about religion and spirituality this month, giving Christians many opportunities to share the gospel. Pray for hearts to be softened and for people to be interested in learning more about Christianity. Pray for those who live in that district to be people who believe and find eternal life through Jesus.

## Home Missions/North American Mission Board

Pray for North America

According to the statistics from the U.S. Census Bureau and The Joshua Project, there are 386 million people in North America. Among those, 286 million people are lost. North America is a mission field in need of hope, and that hope is Jesus. Urgently pray that missionaries and churches will reach the 161 unreached people groups living in North America with the hope of Jesus. Pray every Christian will share the truth of the gospel boldly, confidently and in love. Pray God will soften hard hearts so every person in North America will embrace Jesus as Lord and Savior.
